The Association will notify the Owner and/or Resident of his or her failure to comply with this provision by following the Procedures for Rules Violations as stated in the Lot Rules and Regulations for Residents.

(ii) Any clogging of the sewer line from the RV to the main line is the responsibility of the Owner. If the Association is called upon to make any repairs or maintenance or to correct any clogging of the sewer line, the maintenance and repair charges will be assessed to the Owner if the repairs and maintenance are required within the boundaries of the Lot or if the clogging is between the RV and the main line.

(iii) The Association will notify Owner and/or Resident of his or her failure to comply with this provision. Upon failure of Owner and/or Resident to take appropriate corrective action as outlined in the Procedure for Rule Violations in Lot Rules and Regulations, the Association may, but is not required to, have the necessary work performed and to charge a reasonable fee. This amount shall be collectible in the same manner as an Assessment.

d. Duty to Report. Each Owner shall promptly report to the Association or its agents any defect or need for repairs on the Condominium Property or other portions of the Common Elements, the responsibility for the remedying of which is that of the Association. An Owner shall be liable for the expense of any maintenance, repair or replacement of any real or personal property rendered necessary by his/her act, negligence or carelessness, or by that of his/her Tenant or any member of their families, or their Guests, employees or agents (normal wear and tear excepted) but only to the extent that such expense is not met by the proceeds of insurance carried by the Association. An Owner shall also be liable for any personal injuries caused by his/her negligent acts or those of his/her Tenant or any member of their families, or their Guests, employees or agents. Nothing herein contained, however, shall be construed so as to modify any waiver by insurance companies of rights of subrogation. Owner shall indemnify and hold Association and Management harmless from any loss, cost, damage, or expense arising out of any claim asserted by an person because of any loss of, or damage or injury to, the person or property of any person caused by any act, default, or neglect of any occupant of the Lot, or of any Tenant, Guest or invitee of any occupant of the Lot.

Accordingly, each Owner hereby agrees to promptly, upon such Owner's knowledge of the existence of any such defective portion, provide written notice to the Association specifying each such defective portion. If any Owner fails to comply with the provisions of this Paragraph 7.3, such Owner will be deemed to have breached his/her obligation to mitigate damages and such Owner's conduct shall constitute an aggravation of damages.

7.4 Alterations and Improvements. The Association shall have the right to make or cause to be made changes and improvements of the Common Elements which are approved by the Board and which do not prejudice the rights of any Owner or any Institutional Mortgagee. In the event such changes or improvements prejudice the rights of an Owner or Institutional Mortgagee, the consent of such Owner or Institutional Mortgagee so prejudiced shall be required before such changes or improvements may be made or caused.

The Association's lien for Assessments is effective from and shall relate back to the recording of the Original Declaration. To be a valid claim of lien, the lien must comply with Section 718.116(5)(b), Florida Statutes, as amended from time to time. Upon full payment of all sums secured by such lien or liens, the party making payment shall be entitled to a recordable satisfaction of the statement of lien.

a. Personal Obligation. Each Assessment against a Lot, together with interest thereon and costs of collection thereof, including Legal Fees, shall be the personal obligation of the person, persons, entity and/or entities owning the Lot so assessed.

c. To accelerate the entire amount of any Assessments for the remainder of the calendar year in accordance with the provisions of the Florida Statutes and rules set forth in the Florida Administrative Code promulgated by the Division of Florida Condominiums, Timeshares, and Mobile Homes;

d. To file an action to foreclose its lien in the name of the Association in like manner as a foreclosure of a mortgage on real property; and

e. To file an action at law to collect the amount owing plus Interest, late fees, and Legal Fees without waiving its lien rights and its right of foreclosure.

The total anticipated Common Expenses shall be that sum necessary for the maintenance and operation of the Condominium Property and such expenses shall be allocated to the Lots based upon each Lot's share of the Common Expenses, and it shall be assessed as part of the "Annual Assessment." The Annual Assessment may be adjusted in the instance where the Board determines that the estimated Common Expenses are insufficient to meet the actual Common Expenses being incurred, in which event the anticipated Common Expenses may be increased accordingly in calculating the Annual Assessment.

In the event insurance money shall be payable, such insurance money shall be paid to the Association who shall open an account with a banking institution doing business in Lake County, Florida, for the purpose of providing a fund for the repair and reconstruction of the damage. The Association shall pay into such account, either in addition to the insurance proceeds, or in the event there are no insurance proceeds, such sums as may be necessary so that the funds on deposit will equal the costs of repair and reconstruction of the damage or destruction. If necessary, the Association agrees that it will levy Special Assessments to provide the funds for the cost of reconstruction or construction as soon as is reasonably possible and shall go forward with all deliberate speed so that the construction or reconstruction, repair or replacement, shall be completed, if possible, within nine (9) months from the date of damage.

f. Administrative and Operational Expenses. The costs of administration of the Association including, but not limited to, any secretaries, bookkeepers and other employees necessary to carry out the obligations and covenants of the Association as to the Condominium Property shall be deemed to be Common Expenses.

The Association must retain a management company or professional accounting firm to meet the Florida Condominium Statutes 718 requirements for record keeping, annual disclosures,

collecting maintenance fees, issuing delinquency letters, paying all of the association's expenses, properly manage the association's reserves, filing the association's taxes, and other financial obligations required. The Board cannot operate without a management company or professional accounting firm without being approved in advance by 75 percent of the total voting interests of the association. The Association shall also hire a CPA every year to prepare the Association's taxes for the Association to review, sign and send to the IRS. Notwithstanding the foregoing, the Board has the right to terminate the services of a management company or professional accounting firm without the approval of the Members; however, the Association shall not be without a management company or professional accounting firm for more than two (2) months.

In addition, it is contemplated that the Association may retain companies or contractors to assist in the other operations of the Condominium Property and in carrying out the obligations of the Association hereunder. The fees or costs of any management company or companies or contractors so retained shall be deemed to be part of the Common Expenses hereunder as well as fees which may be required to be paid to the Division of Florida Condominiums, Timeshares, and Mobile Homes from time to time.

g. Indemnification. The Association covenants and agrees that it will indemnify and hold harmless the members of the Board from and against any and all claims, suits, actions, damages and/or causes of action arising from any personal injury, loss of life and/or damage to property sustained in or about the Condominium Property or the appurtenances thereto from and against all costs, legal fees, expenses and liabilities incurred in and about any such claim, the investigation thereof or the defense of any action or proceeding brought thereon, and from and against any orders, judgments and/or decrees which may be entered therein.

h. Compliance with Laws. The Association shall take such action as it determines necessary or appropriate in order for the Common Elements to be in compliance with all applicable laws, statutes, ordinances and regulations of any governmental authority, whether federal, state or local, including, without limitation, any regulations regarding sanitary conditions and fire hazards, and the cost and expense of such action taken by the Association shall be a Common Expense.

i. Failure or Refusal of Owners to Pay Annual Assessments. Funds needed for Common Expenses due to the failure or refusal of Owners to pay their Annual Assessments levied shall, themselves, be deemed to be Common Expenses and properly the subject of an Assessment.

j. Extraordinary Items. Extraordinary items of expense under this Declaration such as expenses due to casualty losses and other extraordinary circumstances shall be the subject of a Special Assessment.

k. Costs of Reserves. The funds necessary to establish an adequate reserve fund ("Reserves") for periodic maintenance, repair and replacement of the Common Elements and the facilities and improvements thereupon in amounts determined sufficient and appropriate by the Board from time to time shall be a Common Expense. Reserves shall be levied, assessed and/or waived in accordance with the Florida Statutes. The Reserves shall be deposited in a separate account to provide such funds and reserves. The monies collected by the Association on

account of Reserves shall be and shall remain the exclusive property of the Association and no Owner shall have any interest, claim or right to such Reserves or any fund composed of same.

l. Miscellaneous Expenses. Common Expenses shall include the cost of all items of costs or expense pertaining to or for the benefit of the Association or the Common Elements, or any part therein and any expenses identified in Section 2.10.

8.7 Additional Remedies for Unpaid Assessments. In addition to all remedies provided herein, if an Owner is delinquent in the payment of any Assessments levied by the Board, the Association is authorized to deny use of any recreational facilities on the Common Elements to such delinquent Owner and to any person claiming usage under such delinquent Owner to the extent allowed by and in accordance with applicable law. The Association shall also be authorized to rent the delinquent Owner's Lot and any use rights appurtenant, thereto.

8.8 Payments of Assessments. No Owner may withhold payment of any Assessment or Special Assessment or any portion thereof because of any dispute which may exist between that Owner and the Association, the directors of the Association, the Management or among any of them, but rather each Owner shall pay all Assessments when due pending resolution of any dispute.

8.9 Common Surplus. Each Owner shall own a share of the Common Surplus attributable to each Lot owned in accordance with Section 6.1 above.

8.10 Refunds of Common Surplus. In the event that there is a Common Surplus in any fiscal year of the Association, such Common Surplus shall be applied against the following year's Common Expenses, unless the Owners affirmatively vote, pursuant to their Voting Interests, to receive a refund for such amount.

8.11 Certificate. Any Owner shall have the right to require from the Association a certificate showing the amount of unpaid Assessments against him with respect to his or her Lot. The holder of a mortgage or other lien shall have the same right as to any Lot upon which it has a lien. Any person who relies upon such certificate shall be protected thereby.

ARTICLE 9

THE ASSOCIATION

The operation of the Condominium shall be by the Association, which shall fulfill its functions pursuant to the following provisions:

9.1 Membership in Association. Membership of each Owner in the Association shall be acquired pursuant to the provisions of the Articles of Incorporation and Bylaws, as amended. Each Owner shall be entitled to one (1) vote for each Lot they own.

9.2 Governance of Associations. All of the affairs and property of the Condominium and of the Association shall be controlled by the officers under the direction and supervision of the Board. Subject to the provisions of this Declaration, as amended, the operation of the Association shall be governed by the Articles of Incorporation and the Bylaws, as amended.

a. The Association, through its Board, shall have all of the rights and powers provided by this Declaration, as amended, the Bylaws, as amended, the Articles of Incorporation, as amended, the corporation statutes, and Chapter 718, Florida Statutes, including, not limited to, the power to acquire and convey title to real and personal property for the use and benefit of the Owners.

b. The Association, through its Board, shall have the power to enforce and shall be obligated to all Assessments, fees and dues.

d. The Association shall have the power to purchase Lots in the Condominium and to otherwise acquire and hold, lease, mortgage and convey the same. The decision of the Association to purchase a Lot and to acquire, hold, lease, mortgage and convey the same shall be made by its Board, with a majority approval of its membership.

9.3 Limitation Upon Liability of Association. Notwithstanding the duty of the Association to maintain and repair portions of the Common Elements, the Association shall not be liable to Owners for injury or damage, other than for the cost of maintenance and repair, caused by any latent condition of the Common Elements to be maintained and repaired by the Association, or caused by the elements.

- a. Any act, fault, or neglect of any Owner, Resident or occupant of a Lot, or any Guest or invitee of any Resident or occupant of a Lot, or of any trespasser;
- b. Fire, water, steam, rain, hail, wind, flood, sewage odors, electrical current, insects, or any act of God; and/or
- c. Theft or embezzlement, unless any of the foregoing was caused by active or willful misconduct on the part of the Association or Management.

9.4 Restraint upon Assignment of Shares and Assets. Each Owner's share in the funds and assets of the Association cannot and shall not be assigned, hypothecated or transferred in any manner except as an appurtenance to his or her Lot.

9.5 Transfer of Control of Association. While exercising control and management, the Developer shall observe the format and formalities of the Association's corporate regime and structure, including maintenance of all required minutes, books and records and the provisions of Chapter 718 and any rule promulgated thereunder.

9.6 Membership Agreements. Subsequent to the recording of this Declaration, the Association may acquire or enter into agreements acquiring leaseholds, memberships and other possessory or use interests in land or recreational facilities, whether or not such lands and facilities are contiguous to the lands of the Condominium, so long as they are intended to provide

enjoyment, recreation or other use or benefit to Owners, when a majority of the Board members consent to such agreement and two-thirds (2/3) of the Voting Interests consent to such an agreement. Any rental, membership fees, operations, replacement and other expenses in relation to such agreement shall be deemed Common Expenses.

ARTICLE 10

INSURANCE; DISTRIBUTION OF PROCEEDS

10.1. Hazard Insurance. The Association shall obtain casualty insurance with such coverage and in such amounts as it may determine from time to time for the purpose of providing casualty insurance coverage, including Fire and Extended Coverage, all of which insurance shall insure all of the insurable improvements on or within the Common Elements, including personal property owned by the Association, in and for the interest of the Association, all Owners and their mortgagees, as their interests may appear, with a company (or companies) acceptable to the standards set by the Board. Insurance to protect the accommodations and facilities shall be in an amount equal to the replacement value or as otherwise required by Florida law.

10.2 Form of Policy and Insurance Trustee. The Association may, to the extent possible and not inconsistent with the foregoing, obtain one (1) policy to insure all of the insurable improvements within the Condominium, except for the Owners' RVs, Park Models, Owners' Lots, and any other personal property of the Owners. The premiums for such coverage and other expenses in connection with said insurance shall be paid by the Association and assessed as part of the Annual Assessment. The company (or companies) with which the Association shall place its insurance coverage as provided in this Declaration, must be a good and responsible company (or companies) authorized to do business in the State of Florida. In addition, the insurance agent must be located in the State of Florida. The Association shall have the right to designate a trustee ("Insurance Trustee") and upon the request of the Institutional Mortgagee holding the highest dollar indebtedness encumbering Lots within the Condominium ("Lead Mortgagee") shall designate an Insurance Trustee. Thereafter the Association from time to time shall have the right to change the Insurance Trustee to such other trust company authorized to conduct business in the State of Florida or to such other person, firm or corporation as Insurance Trustee as shall be acceptable to the Board and the Lead Mortgagee. The Lead Mortgagee shall have the right, for so long as it holds the highest dollar indebtedness encumbering Lots within the Condominium to approve: (i) the form of the insurance policies; (ii) the amounts thereof; (iii) the company or companies which shall be the insurers under such policies; (iv) the insurance agent or agents; and (v) the designation of the Insurance Trustee if it deems the use of an Insurance Trustee other than the Board to be necessary, which approval(s) shall not be unreasonably withheld or delayed; provided, however, for so long as Developer owns any interest in any Lot(s), Developer shall have the right, but not the obligation, to require the Association to designate an Insurance Trustee other than the Board. Notwithstanding anything in this Declaration to the contrary, the Board may act as the Insurance Trustee hereunder unless otherwise required by the Lead Mortgagee or Developer. The Lead Mortgagee shall inform the Association by written notification if it requires the use of an Insurance Trustee other than the Board. If the use of an Insurance Trustee other than the Board is requested in writing, then the Lead Mortgagee shall be deemed to have approved the Insurance Trustee unless the Lead Mortgagees written disapproval is received by the Association within thirty (30) days after notice from the Association of the identity of the proposed Insurance Trustee. If no

Insurance Trustee is required, the Board shall receive, hold and expend insurance proceeds in the manner hereinafter provided as if it were the Insurance Trustee.

10.3. Required Policy Provisions. All such aforesaid policies shall provide that they may not be cancelled without at least ten (10) days' prior written notice to the Association and shall be deposited with the Insurance Trustee upon its written acknowledgment that the policies and any proceeds thereof will be held in accordance with the terms hereof. Said policies shall provide that all insurance proceeds payable on account of loss or damage shall be payable to the Insurance Trustee. In the event of a casualty loss, the Insurance Trustee may deduct from the insurance proceeds collected a reasonable fee for its service as Insurance Trustee. The Association is hereby irrevocably appointed agent for each Owner to adjust all claims arising under insurance policies purchased by the Association. The Insurance Trustee shall not be liable for payment of premiums, for the renewal or the sufficiency of the policies or for the failure to collect any insurance proceeds. The Association may determine to act as Insurance Trustee, in which event references herein to Insurance Trustee shall refer to the Board.

10.4. Restrictions of Mortgagees. No mortgagee shall have any right to participate in the determination of whether property is to be rebuilt, nor shall any mortgagee have the right to apply insurance proceeds to repayment of its loan unless such proceeds are distributed to Owners and/or their respective mortgagees.

10.5. Distribution of Insurance Proceeds and Losses. The Association or Insurance Trustee, through its Board, shall hold insurance proceeds in trust for the Association, Owners and mortgagees under the following terms:

a. Intentionally Deleted.

b. Loss of Fifty Thousand Dollars (\$50,000) or Less to Common Elements.
In the event that a loss of Fifty Thousand Dollars (\$50,000) or less occurs to improvements within the Common Elements, the Association shall hold in trust the insurance settlement for the necessary repairs to be made to the improvements within the Common Elements and shall cause the repairs to be made. All deficiency between the insurance settlement received and the cost of repair shall be paid by a Special Assessment payable by all Owners.

c. Loss in Excess of Fifty Thousand Dollars (\$50,000) to Common Elements.
In the event the Insurance Trustee receives proceeds in excess of the sum of Fifty Thousand Dollars (\$50,000) as a result of damages to the improvements within the Common Elements then the Insurance Trustee shall hold, in trust, all insurance proceeds received with respect to such damage, together with any and all other funds paid as hereinafter provided, and shall distribute the same as follows:

(1) The Board shall obtain or cause to be obtained reliable and detailed estimates and/or bids for the cost of rebuilding and reconstructing the damage and for the purpose of determining whether insurance proceeds are sufficient to pay for the same.

(2) In the event the insurance proceeds are sufficient to rebuild and reconstruct all the damaged improvements, or upon the collection of the necessary funds that are described in subparagraph 10.5(c)(3) below, then the damaged improvements shall be

completely repaired and restored. In this event, all payees shall deliver paid bills and waivers of mechanics' liens to the Insurance Trustee and execute affidavits required by law, by the Association, by any Institutional Mortgagee named on a mortgage endorsement or by the Insurance Trustee, and shall deliver the same to the Insurance Trustee. The Association, through its Board, shall negotiate and obtain a contractor willing to do the work on a fixed price basis or some other reasonable terms under the circumstances. The Board shall disburse the insurance proceeds and other funds held in trust in accordance with the progress payments contained in the construction contract between the Association and the contractor. Subject to the foregoing, the Board shall have the right and obligation to negotiate and contract for the repair and restoration of the premises.

(3) In the event the insurance proceeds are insufficient to repair and replace all of the damaged improvements within the Common Elements, the Board shall hold a special meeting to determine a Special Assessment against all of the Owners to obtain any necessary funds to repair and to restore such damaged improvements. Upon the determination by the Board of the amount of such Special Assessment, the Board shall immediately levy such Special Assessment against the respective Lots setting forth the date or dates of payment of the same, and any and all funds received from the Owners pursuant to such Special Assessment shall be delivered to the Insurance Trustee and disbursed as provided in subparagraph 10.5(c)(2) immediately preceding. In the event the deficiency between the estimated cost of the repair and replacement of the damaged property and the insurance proceeds exceeds the sum of Twenty-Five Thousand Dollars (\$25,000), and three fourths (3/4) of the Owners advise the Board in writing on or before the date for the first payment thereof that they are opposed to a Special Assessment, then the Insurance Trustee shall divide the net insurance proceeds into the shares owned by each Owner and shall promptly pay each share of such proceeds to the Owners and mortgagees of record as their interests may appear ("Insurance Proceeds Distribution"). In making any such Insurance Proceeds Distribution to the Owners and mortgagees, the Insurance Trustee may rely upon a certificate of an abstract company as to the names of the then Owners and their respective mortgagees. Any Insurance Proceeds Distribution shall also require the approval of the Lead Mortgagee.

d. Distribution of Excess Funds. In the event that after the completion of and payment for the repair and reconstruction of the damage to the damaged property any excess insurance proceeds remain in the hands of the Insurance Trustee, then such excess shall be disbursed in the manner of the Insurance Proceeds Distribution. However, in the event such repairs and replacements were paid for by any Special Assessment as well as insurance proceeds then it shall be presumed that the monies disbursed in payment of any repair, replacement and reconstruction were first disbursed from insurance proceeds and any remaining funds held by the Insurance Trustee shall be distributed to the Owners in proportion to their contributions by way of Special Assessment.

e. Institutional Mortgagees. In the event the Insurance Trustee has on hand, within ninety (90) days after any casualty or loss, insurance proceeds and, if necessary, funds from any Special Assessment sufficient to pay fully any required restoration and repair with respect to such casualty or loss, then no mortgagee shall have the right to require the application of any insurance proceeds or Special Assessment to the payment of its loan. Any provision contained herein for the benefit of any mortgagee may be enforced by a mortgagee.

f. Repair of Damaged Property. Any repair, rebuilding or reconstruction of damaged property shall be substantially in accordance with the architectural plans and specifications for the Condominium Property as: (i) originally constructed; (ii) previously reconstructed; or (iii) depicted in new plans and specifications approved by the Board.

g. Determination of Damage. The Board shall determine whether damage or loss has occurred to improvements within Lots alone that are owned by the Association, Common Elements alone or to improvements within any combination thereof.

h. Intentionally Deleted.

i. Miscellaneous Policy Requirements. Policies insuring the property within the Condominium purchased pursuant to the requirements of this Article 10 shall provide that any insurance trust agreement shall be recognized; the right of subrogation against Owners will be waived; the insurance will not be prejudiced by any acts or omission of individual Owners who are not under the control of the Association; and the policy will be primary, even if an Owner has other insurance that covers the same loss.

j. Master Form of Insurance. Nothing contained herein shall prohibit the Association from obtaining a "Master" or "Blanket" form of insurance to meet the requirements of this Article 10, provided that the coverages required hereunder are fulfilled.

k. Coverage. Notwithstanding anything to the contrary contained herein, policies insuring property within the Condominium shall not insure any of the Owners' RVs, Owners' Park Models, Owners' Lots, or any other personal property located upon a Lot or within the Condominium Property, except personal property of the Association on the Common Elements.

10.6 Responsibility of Owners. Each Owner is responsible for obtaining insurance coverage upon his or her real or personal property, specifically including but not limited to, the Lot and RV, at his or her own expense, and such insurance shall not be the responsibility of the Association.

10.7 Reconstruction and Replacement of the Lot.

a. In the event that any RV and/or other improvement within a Lot shall be substantially damaged or destroyed, it shall be the obligation of the Owner to remove, repair, rebuild or reconstruct the improvements to the damaged or destroyed Lot as soon after such casualty as may be practical. All such repair, replacement and reconstruction shall be in substantial conformity with the original plans, dimensions, location, materials, design and appearance of the structure that was damaged or destroyed, unless otherwise approved by the Board.

b. Notwithstanding damage or destruction of the improvements to a Lot, the Owner shall remain liable to the Association for all assessments in connection with such Lot.

c. As soon as practical after damage or destruction, the Owner shall cause to be removed all debris and portions of the improvements that cannot be preserved for

incorporation into the replacement structure. All dangerous conditions shall be removed immediately. All debris shall be removed from the Lot no later than 30 days after the date upon which the casualty occurred. If an Owner does not commence rebuilding or reconstructing improvements to the Lot within 180 days of the casualty, then such Owner shall be obligated at the Owner's expense to remove all portions of the damaged or destroyed property remaining, except underground utility lines, which shall be secured. The Owner shall provide fill and install pavers so that the Lot shall thereupon give the appearance of conforming to surrounding lots.

d. Association Rights and Responsibilities. If an Owner shall fail to comply with any of the provisions of this Section, whether concerning the removal of debris, clearing of the Lot or otherwise, then the Association may perform such acts as are the responsibility of the Owner, and the cost of same shall be treated initially as a common expense, but shall be charged against the Owner as a special assessment, collectible and enforceable by lien and otherwise as generally provided for assessments. In addition, as provided in Article 8 herein, the Owner shall remain responsible for all other assessments in the same manner as if such damage or destruction had not occurred. In the event an Owner does not rebuild a damaged or destroyed Lot and improvements on the Lot, the Association shall have the right, but not the obligation, to purchase the Lot so damaged from the Owner, to hold it for a reasonable period of time, to resell it, or to cause the improvements thereon to be rebuilt or reconstructed in compliance with the terms of this Declaration, and then to resell such Lot. During the time that the Association shall own the title to any such Lot, the assessments attributable to such Lot shall be paid by the Association as a Common Expense.

e. Exercise of Purchase Option. If the Association shall exercise its right to purchase the Lot, as herein provided in sub-section (d) above, it shall do so by giving written notice to the Owner of the Association exercising such right; and thereupon, the Association and the Owner each shall appoint a qualified real estate appraiser to appraise the market value of the Lot. The price to be paid by the Association to the Owner for the Lot shall be the average of the market value appraisals of the Lot as determined by two appraisers. The purchase price so determined shall be paid by the Association to the Owner and shall be paid in cash or upon such other terms agreed to by the Association and the Owner, and the sale and conveyance shall be closed within thirty (30) days following the determination of the purchase price of the Lot as herein provided. Notwithstanding the foregoing right of the Association to purchase the Lot, until such time as the Association has exercised its right to purchase the Lot, the Owner may notify the Board of the Owner's intention to rebuild the improvements as provided in this Section. Any and all rights of the Association to purchase the Lot as provided by the provision of this Declaration are hereby declared to be and are subordinate to any mortgages held by an Institutional Mortgagee.

ARTICLE 11

g. Disclaimer; Impact Fees. Notwithstanding anything contained herein to the contrary, although it is the intent of the Association for the Condominium to comply with HOPA so that the Condominium may operate as housing for persons 55 and older and restrict occupancy based upon age, it is acknowledged that no representation or warranty is provided by the Association that the Condominium will comply with HOPA. It is further acknowledged that it is unlawful to discriminate against families with children under age eighteen (18) without compliance with HOPA. Accordingly, the Association shall have no liability to the Owners or occupants in connection with the status of the Condominium as housing for persons 55 and older or liability under HOPA for the Association's failure to maintain the status of the Condominium as housing for persons 55 and older. It is further acknowledged that the Association, by recording this amendment to the Declaration or other restrictive covenants regarding housing for 55 and older persons and occupancy requirements based upon age in the Condominium, Owners may be entitled to waived or reduced impact fees due to the County or other governmental agencies which require the Condominium to remain housing for persons 55 and older under HOPA. If at any time it is determined that the Condominium does not comply with HOPA causing impact fees previously waived to become due and owing by the Owners to the County or any other governmental agency, the Association shall not be responsible for the payment of any such impact fees.

12.14 Compliance with Law. No Resident shall make any use of a Lot that violates any laws, ordinances and regulations of any governmental body having jurisdiction thereof.

12.15 Noise. Each Owner/Resident, by acceptance of a deed or other conveyance of his/her Lot or by accepting a lease, hereby acknowledges and agrees that sound transmission in a building such as any of the Buildings is very difficult to control, and that the noises from adjoining or nearby Lots and/or mechanical equipment can often be heard in another Lot. The Association does not make any representation or warranty as to the level of sound transmission between and among Lots and the other portions of the Buildings, and each Owner/Resident hereby waives and expressly releases any such warranty and claim for loss or damages resulting from sound transmission.

12.16 Handicapped Persons. Notwithstanding any other rule, regulation, or restriction to the contrary herein contained, the Board shall make reasonable accommodations in the rules, regulations or restrictions, if such accommodations may be necessary to afford a handicapped person equal opportunity to use and enjoy the Condominium Property,

12.17 Fines. The Association may levy a fine against an Owner of a Lot for an Owner's or occupant's violation of any provision of this Declaration, the Articles of Incorporation, the Bylaws, or the Rules and Regulations, all as amended from time to time, so long as such Owner or occupant is afforded reasonable notice and an opportunity for a hearing pursuant to the procedures set forth in Chapter 718, Florida Statutes. The amount of such fines shall be set by the Association, but in no event shall the amount of such fine be greater than the amount permitted by Chapter 718, Florida Statutes.

12.18 Leasing/Renting Lots.

a. Owners may lease/rent their Lot in its entirety. All Tenants shall be subject to the Condominium Documents. The Association has the right to approve or disapprove proposed tenants and has the right to require information from the potential tenant to determine if they meet the requirements of the Condominium Documents including, but not limited to, the age restriction requirements, RV acceptability, and restrictions on pets. The Board may adopt reasonable Rules and Regulations regulating leasing/renting and the procedures for leasing/renting. See Rules & Regulations, Rental of Lots.

b. If the proposed transaction is a lease or rental and the tenant is disapproved, then the Owner shall be advised by the Association of the disapproval in writing and the lease or rental shall not be made. If the lease or rental has already occurred, any lease, contract or other similar agreement shall be considered null and void and as if it had never occurred. If the tenant is in possession of the RV or Lot at the time the lease or rental is disapproved, the Owner shall take any and all necessary actions to remove the tenant from the RV or Lot within thirty (30) days from the date the Owner is advised of the disapproval, including, without limitation, instituting all necessary legal actions. Further, the Owner hereby delegates and assigns to the Association the power to evict an Owner's tenant(s), as attorney-in-fact on behalf of the Owner, and agrees that the Association may proceed directly against such tenant(s) for injunctive relief, termination, eviction and/or damages all at the Owner's and/or at the tenant's expense.

c. Should the Association seek to enforce the provisions of the lease and/or the Condominium Documents against a tenant, and/or Owner, through injunctive relief, a claim for damages, eviction or termination, the Association shall be entitled to recover its reasonable attorneys' fees and costs incurred in such enforcement, whether a lawsuit or petition for arbitration be filed or not (including without limitation attorneys' fees and costs upon appeal, and in bankruptcy). If such costs and fees are not immediately paid by the tenant(s), the Owner of the Lot shall pay them and such funds shall bear interest at the highest rate permitted by law. The obligation of the tenant(s) and the Owner to pay or reimburse the Association such funds will, if not immediately paid, give rise to a cause of action against the tenant(s) and/or the Owner.

ARTICLE 13

ALIENABILITY OF LOTS OR OWNERSHIP INTERESTS

13.1 Alienability Restrictions. The right of an Owner to sell, transfer, assign or hypothecate his/her Lot shall only be subject to the Policy and Procedure for the Sale of Lots; the Condominium Documents; and Florida Statutes, Chapter 718. Accordingly, a legal transfer or conveyance of such Lot by an Owner shall require the written approval of the Board and:

a. Each Owner, desiring to sell his/her Lot must notify the Board in writing before putting the lot up for sale.

b. The Owner must provide to the Board the following documentation for the prospective buyer: name, legal mailing address, phone number(s) and proof of age (birth certificate, driver's license or passport).

c. Once the lot is sold, the new Owner must follow Declaration 12.18 and the Rules & Regulations regarding Rental of Lots and provide to the Board the Occupants' proof of age, and any additional information required by the Association.

d. Determination by the Board that the owner or buyer misstated or misrepresented any information on any application or entry forms required by the Board, prior to admittance as an Occupant in the Condominium, shall constitute a violation of this Declaration, and the Board shall have the right to refuse approval of the transfer of ownership in a Lot, or if the sale has already occurred, then the Board can require the removal of the Owner as an Occupant of the Lot.

ARTICLE 14

COMPLIANCE AND DEFAULT

14.1 Compliance and Default. Each Owner shall be governed by and shall comply with the terms of the Condominium Documents, and as they may be amended from time to time. Failure of an Owner to comply with the provisions of the Condominium Documents shall entitle the Association or other Owners to pursue any and all legal and equitable remedies for the enforcement of such provisions, including but not limited to an action for damages, an action for injunctive relief or an action for declaratory judgment. All provisions of this Declaration shall be enforceable equitable servitudes and shall run with the land and shall be effective until the Condominium is terminated.

14.2 Costs and Attorneys' Fees. In any proceeding arising because of an alleged failure of an Owner or the Association to comply with the terms of the Condominium Documents, the prevailing party shall be entitled to recover the costs of the proceeding, and recover such reasonable attorneys' and paraprofessionals' fees as may be awarded by the Court, whether or not a lawsuit or petition for arbitration is brought, and including, without limitation, all appeals and all proceedings in bankruptcy and with regard to any other actions relating to creditors rights.

14.3 No Waiver of Rights. The failure of the Association or any Owner to enforce any covenant, restriction or other provision of Chapter 718, or the Condominium Documents shall not constitute a waiver of the right to do so thereafter.

14.4 Injunctive Relief. The Association may seek an injunction from a court of equity, without being required to post a bond, to compel compliance or prohibit violation of the Condominium Documents regardless of whether an adequate remedy at law exists.

14.5 Governing Law; Waiver of Jury Trial; Venue of Actions. This Declaration shall be governed by, and shall be construed in accordance with, the laws of the State of Florida. The Association, the Owners, the Management Company, and any other party claiming rights or obligations by, through, or under this Declaration, or two or more of the foregoing, each hereby waive any right they may have under any applicable law to a trial by jury with respect to any suit or legal action which may be commenced by or against the others concerning the interpretation, construction, validity, enforcement or performance of this Declaration or any other agreement or instrument executed in connection with this Declaration. In the event any such suit or legal action is commenced by any party, the other parties hereby agree, consent and submit to the personal jurisdiction of the County or Circuit Court in and for Lake County, Florida, with respect to such suit or legal action, and each party also hereby consents and submits to and agrees that venue in any such suit or legal action is proper in said court and county, and each party hereby waives any and all personal rights under applicable law or in equity to object to the jurisdiction and venue in said court and county. Such jurisdiction and venue shall be exclusive of any other jurisdiction and venue.

ARTICLE 15

AMENDMENTS

15.1 By Owners. Except as otherwise provided herein, this Declaration may be amended in the following manner:

a. Notice. Notice of the proposed amendment shall be included in the notice of any meeting of the Association at which a proposed amendment is to be considered. Members are to be given at least a fourteen (14) day notice of such meeting.

b. Adoption. A resolution for the adoption of a proposed amendment may be proposed by the Board or by the Owners. Owners may propose such an amendment by instrument in writing directed to the president or secretary of the Board signed by not less than holders of thirty-three percent (33%) of all of the votes of the Association. Amendments may be

proposed by a majority of the Board at any regularly constituted meeting thereof. Except as provided herein, a resolution amending the Declaration must be approved by:

(i) Not less than two-thirds (2/3rds) of the entire membership of the Board and not less than a majority of the Voting Interests; or

(ii) Not less than two-thirds (2/3rds) of the Voting Interests

Any amendment which would materially and adversely affect Institutional Mortgagees must have the prior written consent of every Institutional Mortgagee which holds a mortgage on any portion of the Condominium Property.

c. Execution and Recording. Each amendment shall be attached to or shall contain a certificate certifying that the amendment was duly adopted, and the certificate shall be executed by the President of the Association with the formalities of a deed, and said amendment shall be effective upon recordation of the amendment and certificate in the Public Records of Lake County, Florida.

ARTICLE 16

TERMINATION

The Condominium may be terminated in the following manners, in addition to the manner provided by Chapter 718, Florida Statutes, as amended from time to time.

16.1 Agreement. Except as otherwise provided in Section 718.117, Florida Statutes, as amended from time to time; the Condominium may be terminated at any time by the approval in writing of all Owners and all Institutional Mortgagees of record.

16.2 Termination Through Condemnation. The Condominium shall only be terminated by virtue of a condemnation action if all Condominium Property is taken in condemnation. If less than all of the Condominium Property is taken in condemnation, the Condominium shall continue as to those portions of the Condominium Property not so taken.

16.3 Procedure. The procedure for termination shall be as set forth in Section 718.117, Florida Statutes.

16.4 Shares of Owners After Termination. After termination of the Condominium, each Owner shall own a fractional share of the Condominium Property and all assets of the Association as a tenant in common pursuant to each Owner's proportionate ownership interest in the Condominium.

ARTICLE 17

SECURITY

The Association may, but shall not be obligated to, maintain or support certain activities within the Condominium Property designed to make the Condominium Property safer than it otherwise might be. The Management Company or Association shall not in any way or manner be held liable or responsible for any violation of this Declaration by any person. Additionally, neither Management Company, nor the Association makes any representations whatsoever as to the security of the premises or the effectiveness of any monitoring system or security service. All Owners, their Guests, Tenants, and invitees agree to hold the Management Company, and/or the Association harmless from any loss or claim arising from the occurrence of any crime or other act. The Association shall not in any way be considered insurers or guarantors of security within the Condominium Property. Neither the Association nor Management Company shall be held liable for any loss or damage by reason or failure to provide adequate security or ineffectiveness of security measures undertaken, if any. All Owners and occupants of any Lot, and Tenants, Guests and invitees of an Owner, acknowledge that the Association and its Board, and the Management Company do not represent or warrant that any fire protection system, burglar alarm system or other security system, if any, designated by or installed according to guidelines established by Management Company or the Association may not be compromised or circumvented, that any fire protection or burglar alarm systems or other security systems will in all cases provide the detection or protection for which the system is designed or intended. Each Owner and occupant of any Lot and each Tenant, Guest and invitee of an Owner, acknowledges and understands that the Association, its Board, and the Management Company are not insurers and that each Owner and occupant of any Lot and each Tenant, Guest and invitee of an Owner assumes all risks for loss or damage to persons, to Lots and to the contents of Lots and further acknowledges that the Association, its Board, have made neither representations nor warranties nor has any Owner or occupant of any Lot, or any Tenant, Guest or invitee of an Owner relied upon any representations or warranties, expressed or implied, including any warranty of merchantability or fitness for any particular purpose relative to any fire and/or burglar alarm systems or other security systems recommended or installed, if any, or any security measures undertaken within the Condominium Property, if any.

ARTICLE 18

SEVERABILITY

The invalidity in whole or in part of any covenant or restriction, or any article, section, subsection, sentence, clause, phrase or word, or other provision of the Condominium Documents shall not affect the validity of the remaining portions thereof.

ARTICLE 19

MISCELLANEOUS

19.1 Acceptance by Owners. Each Owner, by reason of having acquired ownership (whether by purchase, gift, operation of law or otherwise), and each occupant of a Lot, by reason of his or her occupancy shall be deemed to have acknowledged and agreed that all of the provisions of this Declaration the Articles of Incorporation and Bylaws, and Rules and Regulations, all as amended from time to time, are fair and reasonable in all material respects and are fully enforceable in accordance with their terms.

19.2 Hurricane, Water, and Wind Damage. Among other acts of God and uncontrollable events, hurricanes have occurred in Florida, the Condominium is exposed to the potential damages of hurricanes, including but not limited to, damages from wind and wind-driven rain. Water or other damages from this or other extraordinary causes to the Lots shall not be the responsibility of Association.
